Your Majesty

I wanted to write on behalf of the 36,000 volunteers associated with the Leagues of Friends across the UK at the loss of your beloved husband.

He has been the epitome of public service which has been an example and inspiration to our members.

Many of us feel that we have grown older alongside you, and both of your determination to continue to fulfil your responsibilities and contribute, has acted as an encouragement to us.

Our thoughts and prayers are with you, your children, grandchildren, and great grandchildren. We share that sense of loss in life that comes with the gap left by someone who has led such a vigorous life.

With our heartfelt best wishes,

A handwritten signature in black ink that reads "Bridget Foley".
